Power Poster Discussion Questions

1. What is happening in this poster? Do you see similar things happening in our community?
2. In relationships, do you think one person should have power over the other? Why or why not?
3. How do you think men feel when they hold all the power in a relationship? Is this ever stressful? Does it ever create anxiety for men?
4. How do you think women feel when they have little power in a relationship? Do you think this makes women feel happy? Feel safe? Feel valued?
5. Does men's power over women in relationships make women vulnerable to violence? To HIV infection? How?
