▶ *How can we keep our community safe?*

- Reach out to women experiencing violence and men using violence. Violence is never okay.
- Wear masks, practice social distancing, wash hands, avoid large gatherings.
- Connect with friends and loved ones using texting, phone calls and video messaging.
- Check in on others, show support, offer help when you can, ask neighbors how they are doing.
- Learn what services remain open during this time for women experiencing violence.
